FROM PRINCIPAL'S DESK

Dear Parents,
As Salamu Alaikum Wa Rahmatullah.

We, the Board of Directors and the teaching and non-teaching staffs, understand how important it is for you to give proper education to your child. Your child is your future, your hard earned money in this foreign country is only to ensure the bright career of your children. The first step of career building starts at school.

At Bangladesh International School, we aim to provide education of a high standard. Our goal is not only to develop the academic skills of your child but also to inculcate strong worldly values in a supportive environment.

Our team of experienced teachers is well trained and continuously being trained to develop the full potential of a child and enhance his/her talents and potentials.

In our pursuit of excellence and progress in education, we encourage students to know the culture of Bangladesh, the root of the family and to accommodate with the need of 21st century.

It is our aim to provide an experience of education, which combines morals of Islam, the cultural and traditional norms and backgrounds of the country we live in (Kingdom of Saudi Arabia) with the culture and tradition of our mother land, Bangladesh.

We pride ourselves on preparing your child for the future while respecting at all times his/her individuality, strengths and cultural values.

We hope that you will find common ground with our philosophy and join us in developing global citizenship for a better tomorrow.

Thanks for your continuous cooperation and support.

Rajjool Monsoom
Principal

Vision

A tiny seed no bigger than a thumb that gives birth to one of the strongest trees in the plant kingdom, the acorn is indeed one of the most striking examples of the wonders of Nature.

No doubt, for the oak to grow, the soil must be right, the nutrients should be readily available, space should be adequate and the sapling nurtured throughout its tender years.

At Bangladesh International School, every child is considered an acorn with the strength to reach great heights. This is why we have worked hard to create the perfect environment for each child to grow and achieve his/her full potential.

The congenial atmosphere at BISD provides a fertile ground for the happy and sustained development of every child. Our highly qualified and dedicated staff will provide all the nutrients to enable your child to learn faster and more efficiently.

This, together with individual freedom and encouragement, will help them to grow into confident, well-rounded individuals.

BISD is committed to keeping a close eye on every child's academic and co-curricular needs at each stage of his/her schooling. After all, it's our belief that your child must be able to branch out successfully and face confidently today's competitive world, which is only possible with a strong and healthy foundation.

Establishment

Bangladesh International School, Dammam (BISD) started its journey in 1986 by the grace of Almighty Allah and with the dedicated efforts of the members of Bangladeshi Community living in the Eastern Province of Saudi Arabia. Thanks to the then Ambassador of Bangladesh, His Excellency Hedayet Ahmed whose help and official patronage enabled the school to be start on 01 February 1987. The Ambassador issued a formal letter to include the school as an integral part of education under the cultural wing of Bangladesh Embassy in the Kingdom of Saudi Arabia.

Since then, the school has come a long way where it has, at present, an intake of more than 1200 students belonging to various nationalities like Pakistan, Sri Lanka, Eritrea and Sudan.

Location

Located at the heart of Dammam, (near Dammam Traffic Police Office) King Fahad Bin Abdul Aziz Street, Dammam. It is just beside the Al Zuhar Park in Muath Ibn Muslim road. The institution is easily accessible from all the directions like Khobar, Jubail etc.

Academic Session

The academic session starts from July in one year and ends in June of the preceding year and is divided into two terms. At the beginning of the new academic session, an academic calendar and school diary is issued to each student, detailing the planned activities, holidays of the academic year.

Infant Section KG I and KG II

The Infant Section (Kindergarten) at BISD offers an English medium (British curriculum) education for children between the ages of 3 and 5. The school provides a strong foundation in conceptual skills and a knowledge of the English language.

The first year of the Kindergarten is, for most children, their first time away from home and family. As such, the teachers in Kindergarten not only play the role of teacher but also of mother, friend, philosopher and guide. Our priorities in the Nursery Section are to keep children safe, happy and well-educated, and all our course objectives strive towards this tri-curricular goal.

Cambridge Primary Checkpoint Curriculum

BISD follows Cambridge Checkpoint curriculum from grade I to V specially for English, Science and Mathematics. Grade V students can appear in First Public Examination under the Cambridge International Examinations. In the result card a complete analysis of the student's merit and performance is given along with the grade points.

Cambridge Secondary 1 Curriculum

To get comprehensive feedback on their strengths and weaknesses in each subject area, BISD adopted Cambridge Secondary 1 curriculum. Students can appear in Cambridge Secondary 1 check-point Exam in grade VIII.

IGCSE and CIE A-Level Curriculum

BISD follows the International General Certificate of Secondary Education (IGCSE) in Grade IX and X. Students clearing at least 5 IGCSE subjects are eligible to get admission in A-Level which has two phases, AS-Level (Advanced Subsidiary) and A2 level. A student can appear AS exam after completion of grade XI and A2 level Exam after completion of grade XII. If AS result is satisfactory students can carry forward to A2 level exam at the end of grade XII. Students can also appear A-level exam, AS and A2 together at the end of grade XII.

IGCSE and CIE A-Level Curriculum

- Approved centre for Checkpoint, IGCSE and A-Level exams
- Approved IELTS centre.
